Question 36 – 40
Read the letter below and answer the questions that follow.

Dear Janet,

I received your letter a fortnight ago. I am glad to hear that your grandmother is feeling much better now.

Last week, Kamil, my brother, started his primary school education. He was so eager to go to school and even woke up earlier than Mum and Dad. He looked very smart in his new uniform.

Mum drove us to school. Kamil was placed in Year One Jupiter. He was happy until he was made to sit with other pupil whom he does not know. He looked so sad and lonely. Puan Suzana, his teacher, talked to him. Then he made friends with his classmates and soon he was happily playing and laughing with them.

As for me, I am glad my English teacher is Puan Mages. She is so pleasant and her lessons are very interesting. She is also the class teacher for Year Three Mercury. I wish she was my class teacher. Anyway, I must study hard this year as the semester examination is in March and the UPSR examination is in September. My tuition classes will also start next month.

Maybe we can exchange notes. I am sure the teachers in your school have some useful notes. We can help each other in this way.

All right Janet, that is all for now. Please take care of yourself. Bye.

Your friend,

Hashimah
